Overview

Proven on the roughest terrain in places like Texas and New Mexico to the Rocky Mountains, to the Canadian oil fields to South America, the Middle East and the Pacific Rim, Heil Trailer aluminum round, double round and double conical products perform in the most severe-duty environments imaginable—with the essential Heil Trailer qualities of low tare weights, complete drain out and operator-friendly design you'd expect from a leader—real-world solutions for the most vital service in the world—yours.

High durability—for long-term performance

Corrosion resistance—to maintain vessel integrity

Rapid emptying—to ensure full drainout and carrying capacity

Ergonomic design—for easy, safe operation

Large capacities—to maximize productivity
