Description: FYM Singapore office is looking for dealer/distributor to represent our product in Cambodia market:

About Us

We are a leading manufacturer of quality electrical wiring accessories in Hong Kong since the 70s'. Our products include low voltage switches and socket outlets, extension sockets, adaptors, plugs and the latest smart plug and play energy saving systems. We have about 60% of the market share in Hong Kong and we are also growing our market share in Asia and the Middle East.

Our ISO-certified modern factory is located in He Yuan, Southern China with over 700 staff and a total floor area of 30000sqm. Our objective of being a Top Choice product for consumers and a Top Quality manufacturer for our business partners have lead us to invest in human resource development and modern machinery. We have over one hundred designer and engineer in our R&D division. Thus we are able to design and develop new products in shortest time with the aid of high technology computer facilities. It's no wonder that we are also a Top Choice for brand leaders in Europe when they are looking for an OEM partner.

Our products are certified to the quality standards of the major market we are in, namely: British Standards, ASTA Certification, Malaysia Standards and the Singapore Standards. In addition, we were awarded the Hong Kong Top Brand in the year 2004. However, we are not stopping, we strive to become your Top Choice in all our market.
